

4.3.1: Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities:

The head and senior faculty of each department of the College in consultation with the senior faculty of Computer Science and Engineering department finalizes a comprehensive policy about the procurement of computers along with its operating software and application software to provide comprehensive information security, risk management and software asset management.

- Computer systems are upgraded with latest configuration whenever need arises.
- Individual up gradation of the computers is taken up as per the need and requirements of the various departments.
- Enough provision is made available in the annual budgets for the procurement of the computer systems.
- Once new systems are procured, they replace with the existing systems as per the requirements of the departments.
- All the computer systems in the campus are regularly monitored by the system administrator and maintenance staff.
- The trouble/problems experienced by the computers in the various laboratories are entered by the laboratory programmers/technicians in the complaint register which is kept in the central office.
- The maintenance staff will then go to the respective laboratories for identification of the problems and resolves the same at the respective places.
- All the servers are in the college with respective service providers and are maintained regularly with AMC.
- Internet at a speed of 1 Gbps access for internet browsing requirements. All the campuses are Wi-Fi enabled.
- The college is connected to network, which provides access to a large number of libraries, online lectures, archived lectures of various IITs, virtual classrooms and many more facilities available under NKN.
- Language labs with student consoles and language lab software and digitized audio and video material to develop interactive language skills.

Internet Facility		
Year	Service Provider	Internet Speed
2020-2021	BSNL (Lease Line)	155 Mbps
	Reach	50 Mbps
	Vaishnavi online service	300 Mbps
	Total	505 Mbps
