Milestones & Achievements

Vaagdevi College of Engineering is an AICTE approved autonomous college, putting significant efforts to help students with internship opportunities. AICTE & Internshala recognised several colleges contributing to such efforts for students in the National Level Internship Day hosted at AICTE headquarters, New Delhi. It was an honour to have participated in the National Level Internship Day and be recognised and awarded for helping students find internship opportunities. We are immensely proud to announce that we secured All India 186th rank out of 2830 top engineering colleges that participated in the event. Our internships guidance programmes help our students gain immense exposure and learn industry-specific skills, enabling them to land their dream jobs. The VCE college administration, including faculties, have always played essential roles in preparing our students for their future jobs.

Prof. Raju Chintakindi representing our Vaagdevi College of Engineering has been awarded the certificate of appreciation by AICTE & Internshala for helping our college secure All India 186th rank out of 2830 best engineering colleges that participated in Internship Day 2019. It is an immense honour to have been recognised for our significant efforts in helping their students find an internship by Dr.Anil Sahasrabudhe, AICTE Chairman and Sarvesh Agarwal, Founder & CEO of Intershala. This has been a remarkable achievement for Vaagdevi College of Engineering and we pledge to keep up the spirit and uplift the internship culture even further in the years to come.
