Dear Dr. Mahesh Kandakatla,

Thank you for speaking on "KDD process and Business Intelligence". I feel this lecturer exceedingly helpful to those participants who are completely new to research. We appreciate your presentation and thoroughness in delivering helpful advice. We also appreciate your approachability and willingness to speak with students before and after your talks.

Thank you again for the information you shared and for taking time to visit.

Your's Sincerely,

Principal

Date: 16-12-2016

Dear Dr. Mahesh Kandakatla,

Thank you so much for taking time out of your busy day to visit our college to share your expertise with our students. The students gained valuable information about **"Clustering Techniques in Data mining"**. We hope it was a positive experience for you as well. The information you shared was very enlightening.

Again, my sincere thanks for supporting this important career awareness activity. I hope that I can call on you again in the future.

Your's sincerely,

Principal
