DEPARTMENT OF CIVIL ENGINEERING

A Five Day Workshop on

Building Information Modelling Using Autodesk Revit

Title of the Workshop	- Building Information Modelling Using Autodesk Revit
Nature of Workshop	- Faculty Development Programme
Duration	- 5 days 19-03-2018 to 23-03-2018
Chief Guest	- Dr. A. Chandratnoli Dean, IIC
Resource Person	- K. Dinesh Kumar, ICT Trainer
Collaborative Organisation	- ICT Academy
Convener	- CH. Raju
Coordinator	- B. Mahesh

Programme Schedule

Day – 1 (19-03-2018)

10.00 AM	Welcome Note
10.05 AM	Inviting guests onto the stage
10.10 AM	Report on FDP by Convener
10.15 AM	Welcome note by Coordinator
10.20 AM	Day 1 by Resource Person
11.30 AM	Tea Break
11.45 AM	Day 1 continues...
01.00 PM	Lunch Break
01.30 PM	Day 1 continues...
02.45 PM	Tea Break
02.55 PM	Day 1 continues...
03.30 PM	Closing Programme

Day-5 (23-03-2018)

10:00 AM	Session by Resource Person
11:30 AM	Tea Break
11:45 AM	Session continues..
01.00 PM	Lunch Break
01.30 PM	Session continues..
03:00PM	Tea Break
03.10 PM	Session continues..
04.00 PM	Felicitation Program by Honours
04.10 PM	Vote of Thanks

VAAGDEVI COLLEGE OF ENGINEERING

UGC-Autonomous

DEPARTMENT OF CIVIL ENGINEERING

Report on the Programme:

A Five Day Faculty Development Programme on Building Information Modeling Using AUTODESK REVIT is conducted from 19th March, 2018 to 23rd March, 2018 with the collaboration of ICT Academy. Resource Person for the workshop is K. Dinesh Kumar. Around 29 faculty were participated in the programme. The programme helped in practice of software in interior design applications for Faculty.

Course Content:

- Interior Designs
- Part Modelling and Sheet Metal design Ordered and unordered factors
- Creating floor and slab
- Curtain Walls
- Creating Modifiers
- Elevation & Project.

To

Dr. M Ravisankar

Professor, Department of CSE

Vaagdevi College of Engineering(Autonomous)

Telangana State

It's my pleasure in inviting you to be the Session Chair for the conference on 'International Conference on Engineering, Science & Technology and Management' we are going to organize during the End of JUNE 2018 (30/06/2018) for ONE day and it will be a pleasure to us if you come for a ICESTM-18 and shares things happening in country which may help our Authors , Research Scholars to get into the field and upgrade the knowledge in this area. We are happy to tell you that we have received a good number of conference papers on the theme of conference and there are good number of participants from colleges around.

It will be a pleasure to us if you send your concern on or before 28.6.2018 so as to enable us to make arrangements for your presence on the day of conference. It will be value addition to the Colleges in this area.

With regards,

RAKESH ORUGANTI
Organizing Secretary

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Report on Two Day Workshop

- Title of Workshop:** Internet of Things
- Date of Workshop:** 13th, 14th June 2018.
- Chief Guest:** Prof. A. Chandramouli
Dean, Student Academics.
- Resource Person:** Mr. Shanmug Vel
- Convener:** Mr.Ch.Raju
Industry Institute Interaction Cell
- Coordinators:** Mr. P. Raj Kumar
Asst.Prof.
- Organizers:** Vaagdevi College of Engineering-Warangal.
- No. of Students Attended:** 34
- Branch:** Computer Science and Engineering.
- Sponsored by:** Vaagdevi College of Engineering-Warangal, Industry Institute Interaction Cell.
- Objective:** On successful completion of the course participants should be able to:
- Describe in a concise manner how the general internet as well as Internet of Things(IoT) work.
 - Understand IOT market perspective
 - Understand Data and Knowledge Management and use of devices in IoT technology

Faculty Development Program on Intro to Internet of Things (IoT)

Introduction to Internet of Things (IOT)

Duration

2 Days

Program Date

13th and 14th June 2018

Venue

**Vaagdevi College of Engineering,
Warangal**

For Nominations

Kindly click the below link to register for this capability development initiative of ICT ACADEMY.

Training Fee : Complimentary

**IIIC
VAAGDEVI**

Course Overview

This course is designed to be toolkit for teaching the Internet of Things to interdisciplinary streams of science, engineering and arts groups who have never programmed or worked with electronics before. It is organized as a 2 Days rapid-paced exploration of the domain, concepts and application of IoT technologies. It isn't designed to get in depth or explore every facet of IoT; instead it is designed to give all of the components for a participants to pursue and build their own connected futures

Pre-requisites

- Basic programming skills (C, C++ for embedded device programming is preferred)
- Experience in Hardware, Network Infrastructure will be an added advantage

Course Objective

On successful completion of the course, participants should be able to:

- Describe in a concise manner how the general internet as well as Internet of Things (IoT) work
- Understand IoT market perspective
- Understand Data and Knowledge management and use of devices in IoT

Program Schedule

Date : 13.06.2018

VENUE: Vaagdevi College of Engineering, A –Block.

10.00AM to 10.30AM: Inauguration and Speech by Chief Guest.
Prof. A.Chandramouli
Dean, Student Academics ,Vaagdevi Group of Engineering Colleges.

10.30AM to 11.00AM: Keynote Address by Dr.K.Prakash
Principal, VaagdeviCollege of Engineering

11.00AM to 11.15AM: Tea Break

11.15AM to 13.00PM: The session provided the insights of IoT applications for smart home, smart cities, smart lights, smart retails, energy issues, health and life style and car connect.

01.00PM to 02.00PM: Lunch Break.

02.00PM to 05.00PM: The resource person began his session with how the proliferation of connected devices and the Technology capabilities is transforming the industry with cloud data. He also discussed the various areas of IoT analytics application.

Program Schedule

Date : 14.06.2018

11.00AM to 1.00PM: In this session Participants were introduced to the wifi concept from a programming point of view and its relevance to IoT device. All the participants participated in coding for accessing light and sensing a key pressed on IoT kit through android application.

01.00PM to 02.00PM: Lunch Break.

02.00PM to 05.00PM: In this session Participants learned creating beacon-supported-app on the android studio to understand how beacon parameters and beacon are accessed with android app.

ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison d'être of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension. Set up in 1962, ni-msme has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, ni-msme is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,393 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967 and trained 9,450 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects. The management of the Institute rests with the Governing Council appointed by the Government of India. The Governing body provides the necessary directions to the Executive Committee, accordingly the resident Director General implements the activities.

About Vaagdevi college of Engineering

VISION

Striving Continuously for Global Recognition through Academic Excellence in Higher Education, Research and Entrepreneurship for the betterment of society.

MISSION

Create a Healthy Educational Ambience for Students and Staff to the Development of the Region in Particular and Nation in General.

Adapt an Innovative Approach and Environment to the Learning Process for Spreading Technological Awareness, Development by nurturing Talent.

QUALITY POLICY

To ensure high standards to educate, enrich and excel, in imparting professional education, by top-quality-faculty, who endeavour to mould the students into Socially Responsible Professionals through creative team-work, innovation and research.

About workshop

The Vaagdevi college of Engineering , Bollikunta, Warangal,. has sought for a National level Entrepreneurship Awareness program for the students and also staff development program for faculty in entrepreneurship development. This is out of the natural curiosity as the top priorities of the Vaagdevi management in its usual agenda is to cultivate an Entrepreneurship Awareness for students in campus and in the region. The institutional EDC cell lead by Coordinator Mr.T.Venugopal, Assoc. Professor, EEE Department who had a 12 years of experience in conducting various Entrepreneurship Awareness camps for students in campus and around the region he being very curious was a participant in many such programs while graduating hence taken the complete task from the date of assignment to the execution and report making with constant enthusiasm.

However the Department of science and Technnology and the national Entrepreneurship development board, Government Of India has directed programmes sponsored by niMSME and its connected organisations for a 30 days Entrepreneurship development program during 11thseptember to 8th october 2017 and a two week faculty development program during 11th to 23rd September 2017. The inauguration for both the programmes were on the same day on the same dias and the valedictory were as per their tenure however the events were conducted very grand with special interest from the management. Large number of Faculty registered for the FDP from in and around the region the niMSME has sponsored books, bags, stationary and all the required logistics food, Field Trip transportation etc .The number of candidates in the FDP were 84 and for the EDP were 89 and the students were particularly PG with diversified domains MTechs,MBAs,MPharmacys etc and the response of the audience was great in terms of their interest in entrepreneurship.

ni-msme - the premier institute

ni-msme, the premier institute in the field of MSMEs, is playing a pivotal role in providing practical business development solutions through its programs, courses, research, training and projects. The major focus of the Institute is to assist the Government in formulating policies for the growth and welfare of MSMEs and to take the process to practical execution and dissemination of ideas through a team of experts for working directly, consultancy, education, training and research. So far, ni-msme has 200+ faculty members who are working in various fields of entrepreneurship, business, innovation and marketing. So far, ni-msme has 200+ faculty members who are working in various fields of entrepreneurship, business, innovation and marketing. So far, ni-msme has 200+ faculty members who are working in various fields of entrepreneurship, business, innovation and marketing.

Welcome to ni-msme

ni-msme, since its inception in 1990 by the Government of India, has taken gigantic strides to become the premier institution for the promotion, development and modernization of the MSME sector. An autonomous arm of the Ministry of Micro, Small and Medium Enterprises (MSMEs), the Institute strives to achieve its stated objectives through a gamut of operations ranging from training, consultancy, research and education, to extension and information services.

A Centre of Excellence

It was in 1998 that the IITD and IIT Bombay IIT as the MAJOR sponsors, supported under the Centre of Excellence Scheme in order to set up ni-msme. It was the leading national level and IIT Bombay IIT as the MAJOR sponsors, supported under the Centre of Excellence Scheme in order to set up ni-msme. ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison detre of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension. Set up in 1962, ni-msme has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, ni-msme is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management(SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,393 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967and trained 9,450 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects.The management of the Institute rests with the Governing Council appointed by the Government of India. The Governing body provides the necessary directions to the Executive Committee, accordingly the resident Director General implements the activities.

About Vaagdevi college of Engineering

VISION

Striving Continuously for Global Recognition through Academic Excellence in Higher Education, Research and Entrepreneurship for the betterment of society.

MISSION

Create a Healthy Educational Ambience for Students and Staff to the Development of the Region in Particular and Nation in General.

Adapt an Innovative Approach and Environment to the Learning Process for Spreading Technological Awareness, Development by nurturing Talent.

QUALITY POLICY

To ensure high standards to educate, enrich and excel, in imparting professional education, by top-quality-faculty, who endeavour to mould the students into Socially Responsible Professionals through creative team-work, innovation and research.

About workshop

The Vaagdevi college of Engineering , Bollikunta, Warangal,. has sought for a National level Entrepreneurship Awareness program for the students and also staff development program for faculty in entrepreneurship development. This is out of the natural curiosity as the top priorities of the Vaagdevi management in its usual agenda is to cultivate an Entrepreneurship Awareness for students in campus and in the region. The institutional EDC cell lead by Coordinator Mr.T.Venugopal, Assoc. Professor, EEE Department who had a 12 years of experience in conducting various Entrepreneurship Awareness camps for students in campus and around the region he being very curious was a participant in many such programs while graduating hence taken the complete task from the date of assignment to the execution and report making with constant enthusiasm.

However the Department of science and Technnology and the national Entrepreneurship development board, Government Of India has directed programmes sponsored by niMSME and its connected organisations for a 30 days Entrepreneurship development program during 11thseptember to 8th october 2017 and a two week faculty development program during 11th to 23rd September 2017. The inauguration for both the programmes were on the same day on the same dias and the valedictory were as per their tenure however the events were conducted very grand with special interest from the management. Large number of Faculty registered for the FDP from in and around the region the niMSME has sponsored books, bags, stationary and all the required logistics food, Field Trip transportation etc .The number of candidates in the FDP were 84 and for the EDP were 89 and the students were particularly PG with diversified domains MTechs,MBAs,MPharmacys etc and the response of the audience was great in terms of their interest in entrepreneurship.

Welcome to ni-meme

ni-meme, since its inception in 1996 by the Government of India, has since regular visits to become the premier destination for the promotion, development and reinforcement of the SME sector. An independent unit of the Ministry of Micro, Small and Medium Enterprises (MSMEs), the Institute strives to achieve its stated objective through a range of operations ranging from training, consultancy, research and education, to marketing and information services.

A Centre of Excellence

In June 2004 when the UPMED has recognized SLET as an Institute of excellence programme under its Centre of Excellence Scheme in central and Jharkhand. It was also awarded national award and SLET Institute Scheme award in the same year. To cope with the growth of globalisation, the Government of India has created Micro, Small, Medium Enterprises Development (MSMED) Bill in the Parliament which was introduced on 2nd October 2006. Accordingly, the Institute has been changed as an apex organization by changing its structure as well as name as ni-meme from 1st April 2007.
